

## Signe's Holiday Menu 2021

I was going through some old cards my father has sent my mother when I was little and I found a Thanksgiving menu of his when he was on the Battle Ship New Jersey, 1948. The captain wrote a note in it to his crew; he thanked them for their sacrifice and praised them. I thank God for the men and women who are risking their lives for us, far away from home.

Thank you all and God Bless You,

*Signe*
